

# Christ Church Exmouth

Christ's Church. Living and sharing in the **AMAZING** Love of God.

Our house is God's house.

It is....

A house of love and prayer

A house of grace and hope

A house of passion for His presence.

We purposely lift up His son Jesus

And fully embrace the Holy Spirit.

It is a house where...

The lost are welcome

And God's word is upheld.

It is a house where individuals matter

And serve for the good of all.

This house chooses to express God's love,

To Him,

To each other,

And to this town

To the glory of His mighty name.
